🍁 New Fall Flavors! 🍁

It's autumn in Western New York and that means cooler days and beautiful fall colors. At Donna Marie's we welcome the new season with two new muffin flavors that we think you'll love.

First, we've created a great tasting treat in our new "Very Berry Muffin". This muffin is full of strawberries, black raspberries, red raspberries, and blueberries. It's sure to please the berry lover in your house!

Next, we've created our version of a classic fall favorite; the "Pumpkin Walnut Muffin". Also available in mini loaves, this classic fall item is full of great pumpkin and spice flavors, along with toasted walnuts. Our delicious new muffin is a great way to celebrate the fall season.

We hope you enjoy these new bakery creations. We will be announcing other new products in the upcoming weeks. As always, we look forward to your feedback on ways that we can make our bakery better. Enjoy the fall season and remember;
