Pumpkin Pie (Gluten Free, of course)!

With the holiday season almost upon us, we thought that we should add a special item to our menu. I had been working on a pie crust that would be good enough to put our name on, and now, just before Thanksgiving, I perfected it. And what better pie to start off with than pumpkin pie! Pumpkin pies are truly American with roots going

back all the way to the pilgrims. The colonists sliced off the pumpkin top, removed the seeds, and filled the insides with milk, spices and honey. The pumpkin was then baked in hot ashes. Of course we now make our pumpkin pies in pie shells, and bake them in the oven, but the tradition lives on. So if you are looking for a great tasting, gluten-free pumpkin

pie to enjoy at Thanksgiving, give us a call. We are making pies and pie shells by order only, so place your order soon. Our bakery's phone number is 585-254-0706. We hope that you enjoy them!!
