October News

Hello everyone!

Well we are heading into the cooler fall months, but at Donna Marie's we're just warming up. There's a lot to say so let's get right to it!

Product Announcements

As promised, some new baked goods have been created at the bakery and so far the feedback has been great.

First, a number of you have asked for it and now we have it. Donna Marie's **Cinnamon Rolls** are now available. We've swirled in cinnamon and sugar to make a very tasty roll that we think everyone will enjoy. Come on in and try one!

Next, we've created an **Apple Spice Muffin** to go with the apple harvest in Upstate NY. This muffin has fresh apple bits along with cinnamon, nutmeg and clove. Our delicious new muffin is a great way to celebrate the fall season.

We hope you enjoy these new bakery creations. We will be announcing other new products in the upcoming weeks. Be sure to let us know if you have ideas for new products you'd like to see in our bakery!!

Announcements

We have been invited and will be speaking at the Celiac Support Group Meeting on October, 21st (click [here](#) for details). We will have products to sample and purchase at the end of the meeting. We hope to see many of you there!

A new business is now selling fresh pizza using Donna Marie's pizza shells. Portside Pizza in Fairport Village Landing has added GF pizza's to their menu. See their website for more information: [Portside Pizza](#)

Well, that's it for today. As always, we look forward to your feedback on ways that we can make our bakery better (info@donnamariesbakery.com). Enjoy the changing seasons and remember;
